

Dear Parents or Guardian,

Your child has qualified for the Title 1 Program. The Title 1 program supplements and supports the instruction that your child is receiving in his or her regular classroom. It features individualized instruction based on your child’s specific academic needs in reading and/or math.

Three assessments were given to your child. Which include the DIBELS Benchmark Assessment, SRI Reading Assessment, and the Acadiance Math Benchmark Assessment. Your child did not meet a grade level benchmark or proficiency on these tests, and he/she has qualified for Title 1 supplemental services.

Our goal at Book Cliff Elementary is to help students achieve academic success in reading, language arts, and math. In order to help those students who, qualify for the Title 1 program, we offer these supplemental services:

1. **Small-Group Instruction** – *Paraprofessionals are assigned to classrooms to work either individually or in small groups with students who are identified as Title 1. Under a teacher’s supervision, the paraprofessional gives students additional practice with skills in reading or math.*
2. **One-To-One Tutoring** – *Paraprofessionals are assigned to classrooms to work individually with a student who is identified as Title 1. Under a teacher’s supervision, the paraprofessional gives the student additional practice with skills in reading or math.*

Please discuss with your child’s teacher the results of the three assessments and supplemental services your child is being offered. In order for your child to succeed, we all need to be committed to helping him/her, at school and at home. By working together, we can help your child achieve academic success.

If you have further questions about the Title 1 Program, please contact Burton Sant, Title 1 Teacher, at Book Cliff Elementary.

**In order for your child to legally participate in the program parental permission is required.**

*Please sign this letter and have your child return it to the school as soon as possible.*

Thank you,
