Jimmy Brown

Meeting called to order at 9:04

Jenni motioned to approve Jan minutes. Heidi seconded.

BCE purchased two smart TVs with the leftover money.

We have an assembly scheduled for April. If it is canceled due to COVID 19 we will use the \$700 towards the smart TVs.

Gaylene went over the three goals, which included Math, ELA, and Science and projected expenses for the 2020/2021 plan. There was not any questions. Heidi motioned to approve. Jenni seconded.

Book Cliff purchased the 7 mindsets this year with TSSA funds and it has been very effective. Gaylene has negotiated the cost down to \$4,000, which is very exciting.

An email will be sent out from Land Trust to digitally sign.
