Mid-Year Benchmark Testing

Starting next week, BCE students will be taking Middle of the Year Benchmark Tests in Math and Reading. The purpose of these assessments is to provide information to teachers and families about how students are doing. This helps our teachers make sure that students are getting what they need to learn and allows for adjustments in areas where students might be struggling. Good attendance, adequate sleep and eating breakfast are ways to help students be their best for testing.

How to Support Student Education:

• Attend Parent-Teacher Conferences

Students are most successful when parents and teachers work together. Conferences are a great opportunity to communicate and to find out how students are doing in class. Here are a few tips for success:

- Come prepared with questions or concerns
- Take time to review your students work
- Ask how you can help at home
- Have follow up meetings if needed

Upcoming Events @ BCE

Jan. 3 - Welcome Back Assembly

Jan. 15 - No School, MLK Holiday

Jan. 24 - 100th Day of School

Jan. 24 - Last day of Robotics

Jan. 31 - Parent Teacher Conferences

Students dismissed @ 12:05 pm
